

## FORAGED FOODS

## THALLI FOODS

We are delighted to be working with Thalli foods, a husband and wife team who began foraging in the UK for Miles Irving at Forager Ltd., Britains lead supplier for foraging food. Now situated in Co. Clare, west of Ireland, they will send us a weekly list of available products going forward. Please see this week's list below. Deliveries on Thursday and Friday. As with all things foraged supply is limited, so they work on a first come, first served basis. Codes created upon request of product.
